To celebrate the arrival of spring, we will be hosting our second annual "Evening of the Arts." On May 22, from 5:30 to 7:30 pm, we will recognize the creativity within our community with a reception and performance by our residents and participants. This is also an opportunity to acknowledge the efforts of our expressive therapists Margaret and Anna as well as our art intern Tiffany.

*Just a friendly reminder, if you plan on adjusting your loved one's schedule during the summer, we ask that you kindly give us four weeks' notice in order to avoid being charged for your regular schedule.
